

# Cat Adoption Application

[www.LuvPugFoundation.org](http://www.LuvPugFoundation.org)

---

Thank you for submitting an application to The LuvPug Foundation. An application does not guarantee an adoption. All dogs and cats are matched with the situation/family that is in their best interest. If another family is chosen, it is not rejection. Dogs and cats are looking for their perfect family match too. A non refundable \$10 donation is needed to process this application and will be credited towards your adoption donation if this pet is matched with you/your family. Also note that this is the adoption application, not the adoption agreement, in which an additional adoption donation is applied.
